Bio-based Industries
Consortium

This project has received funding from the Bio-based Industries Joint Undertaking (JU) under the European Union's Horizon 2020 research and innovation programme under grant agreement No 101023516. The JU receives support from the European Union's Horizon 2020 research and innovation programme and the Bio-based Industries Consortium

Agenda

09:00 - Reception

09:30 - Introduction and Welcome to participants

Enrica Leccisi, CMNA

09:50 - General overview of project

Rosaria Chifari, Fundació ENT - Project Leader

10:00 - Presentation of main project results

Rosaria Chifari, Fundació ENT - Project Leader

10:15 - First results from sustainability assessment of the local biowaste from agro-industrial chain: the coffee residues case study

Giuliana Ansanelli, ENEA

10:35 - Presentation of the Biocircularcities WebTool prototype

Amalia Zucaro, ENEA

11:10 - Coffee break

11:30 - Interactive dynamic: Discussion and feedback from stakeholders on project results

Enrica Leccisi, CMNA

13:00 - Conclusions
